June 1, 2008 is to be the effective date for all ABC HOF revisions in all categories. Bloodhounds already achieving titles in any Hall of Fame multi-tiered performance category are to be grandfathered in, allowing them to carry titles attained at the current scheduling structure, as well as those awarded in the interim between now and the revised effective date of June 1, 2008. After the revised meriting system effective date of June 1, 2008, that dog will maintain the previously attained titles of the former rate (to be determined by title achievement date as submitted to the Hall of Fame Director) and progressively align with the revised meriting system post effective date (to be determined by title achievement date as submitted to the Hall of Fame Director).
